SOMA SKOOL **POSITIVE EDUCATION** +

Soma Skool is a profoundly inspirational educational event encompassing the music industry and outlying creative sector. The aims of **Soma Skool** are to educate, motivate and inspire young people in an innovative, creative and dynamic way.

The event seeks to promote the vibrancy of the Scottish creative industries in a compelling and pro-active manner. The event aspires to attract young people who have an interest in the creative industries, demonstrating to them that there are numerous exciting and viable career options available in the creative industries in Scotland.

The event consists of:

_ Seminars with industry experts , discussing relevant issues.

_ Software and hardware demonstrations

_ A central stalls area where businesses, colleges , universities and organizations can educate and also inform about their courses or businesses

_ A studio where young people can have One to One tuition with music professionals.
